*BRITAINS LEADING DESIGNER AND MANUFACTURER OF
TRANSFORMERS AND WINDINGS*

Quality Policy

Trans-Tronic Limited is committed to designing and manufacturing products to clearly defined specifications via an effective Quality Management System.

We maintain the highest ethical standards whilst adhering to all applicable national standards and regulations.

Our goal is to maintain and continually improve performance in all areas especially **QUALITY, COST & DELIVERY** to provide complete Customer Satisfaction.

Emphasis is placed on planning to ensure a **“RIGHT FIRST TIME”** philosophy in all areas of our operation. We aim to be the best and will strive to reach and maintain this level.

To achieve our goals Trans-Tronic Ltd rely on the valuable people who form our multi-skilled and flexible workforce. We are fortunate to have a workforce who understand that

“QUALITY IS EVERYONE’S RESPONSIBILITY”
